

# KATERYNA SHUMANSKA

Data Annotator

## ➤ RELATED EXPERIENCE

### Data Annotator

at N-iX, remotely, since April 2023

- Labeled and categorized texts in both English and Spanish for machine learning models
- Worked with Named Entity Recognition (NER) to identify and label key entities in datasets
- Assisted in sourcing and curating relevant data for annotation tasks
- Annotated images of varying quality, ensuring consistency and quality in annotations

## ➤ OTHER EXPERIENCE

### English Teacher

at GoIT, remotely, June 2023 - April 2024

- Taught English language skills to adult learners, with a focus on professional and technical communication
- Developed lesson plans tailored to teaching IT and technology-related vocabulary
- Assessed learners' progress through quizzes, discussions, and practical assignments

### Customer Support Representative

at Wren Kitchens, The UK, Barton-Upon-Humber, June 2022 - February 2023

- Handled external customer queries in English from both native and non-native speakers
- Assisted customers with technical issues

## ➤ EDUCATION

at V.N. Karazin Kharkiv National University, September 2019- June 2023

Bachelor's degree in Foreign Languages (English and Spanish)

## PROFILE

Dedicated text and data annotator with 1.5 years of experience in English and Spanish texts, as well as diverse image topics requiring in-depth research and understanding. Proven track record in teaching and mentoring fellow annotators to enhance quality and efficiency. CELTA certified English teacher with a confirmed C1 level (FCE test).
